PLEASE NOTE

Guarantee: We guarantee the plants to reach you in good condition. GIVE THE PLANTS TIME TO ROOT AND ADJUST TO YOUR LOCAL CONDITIONS BEFORE DECIDING IT IS AN UNSATISFACTORY PLANT. Some plants when transplanted will, at first, seem to droop and in some cases almost wither... normally that is a temporary condition and they will come back just as strong as the day they were shipped. If after fair trial, and you let us know within one month from day of receipt of order, we will replace plants received in poor condition. WE CANNOT GUARANTEE PLANTS DURING THE HOT SUMMER MONTHS. We suggest you order for early spring shipment, or in some cases, where preferable, for fall shipment. (perennial herbs and scented geraniums for southern customers and window gardens; and native plants, for many of which, fall transplanting is preferred).

All orders of \$2.00 or more shipped prepaid.

Add 10% to cost for orders under \$2.00 to cover postage.
